

Welcome to the future of medicine

At Novartis, we harness the innovation power of science to address some of society's most challenging healthcare issues. Our researchers work to push the boundaries of science, broaden our understanding of diseases and develop novel products in areas of great unmet medical need. We are passionate about discovering new ways to improve and extend people's lives.

For up-to-date information about Novartis' efforts in the US in response to the COVID-19 pandemic, please visit us at www.novartis.us/coronavirus
